BWRC

BREAKFAST PANEL

The Brooklyn Waterfront Research Center (BWRC) presents

Breakfast Talk: The Brooklyn-Queens Connector

Harris Schechtman of Sam Schwartz Transportation Consultants will give a talk on the proposed Brooklyn-Queens Connector (BQX). Schechtman has over 40 years of experience in the areas of transportation operations, facility design, toll operations, law enforcement, and safety. His transit experience ranges from directing bus operations in Queens and Manhattan for New York City Transit to acting as Vice President of Operations for the agency.

Date: Friday, May 6, 2016
Time: 8:30 am–10:00 am
Place: New York City College of Technology, 300 Jay Street, Brooklyn, NY
Room: A632
